

The Fleurries

Landscape Design

Phase 1

Phase 2

Goals

- To create a colorful, unique garden that draws attention to the historic Fleurries House
- To beautify the church grounds
- Environmental Stewardship
 - Removal of invasive species
 - Use of low maintenance and drought tolerant plants
 - Providing a long season of bloom to support pollinators

Phase 1 Trees & Shrubs

Japanese Pieris 'Katsura'

Distylium 'Vintage Jade'

Perennials: Late Winter-Spring

Existing Hellebore

Camellia 'April Tryst'

Moss Phlox 'Emerald Blue'

Perennials: Spring-Summer

Foam Flower
'Spring Symphony'

Astible "Montgomery"

Coppertina
Ninebark

Avens

Perennials: Fall

Christmas Fern

Veronica "Sunny Border"

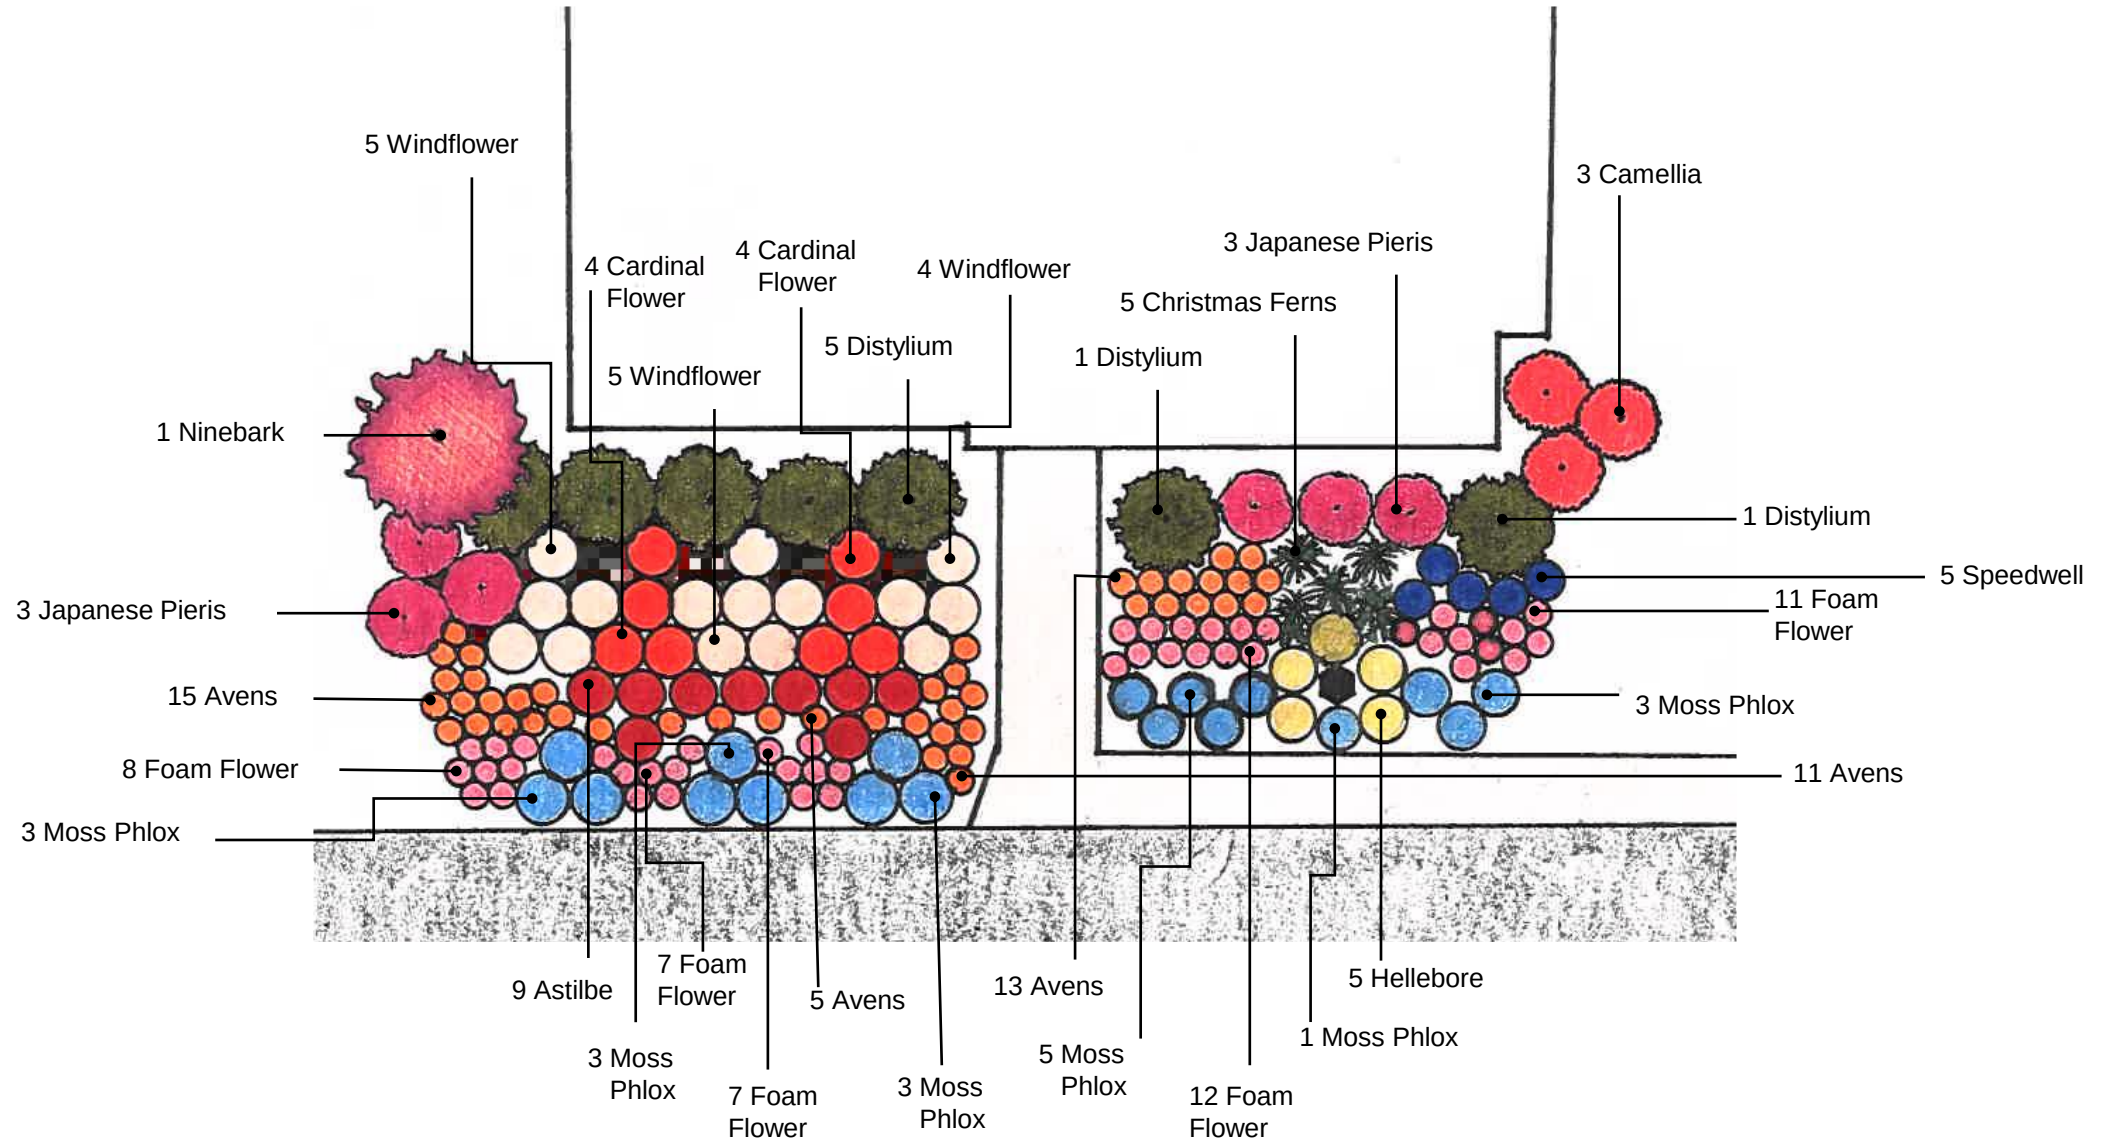

Cardinal Flower

Windflower

Phase 1 Plan

Phase 2-Trees and Shrubs

American
Beautyberry

Paperbark
Maple

Virginia
Sweetspire
'Henry's Garnet'
blooming

Japanese Pieris
'Katsura'

'Henry's Garnet'
in the fall

Phase 2- Perennials

Spring/Summer

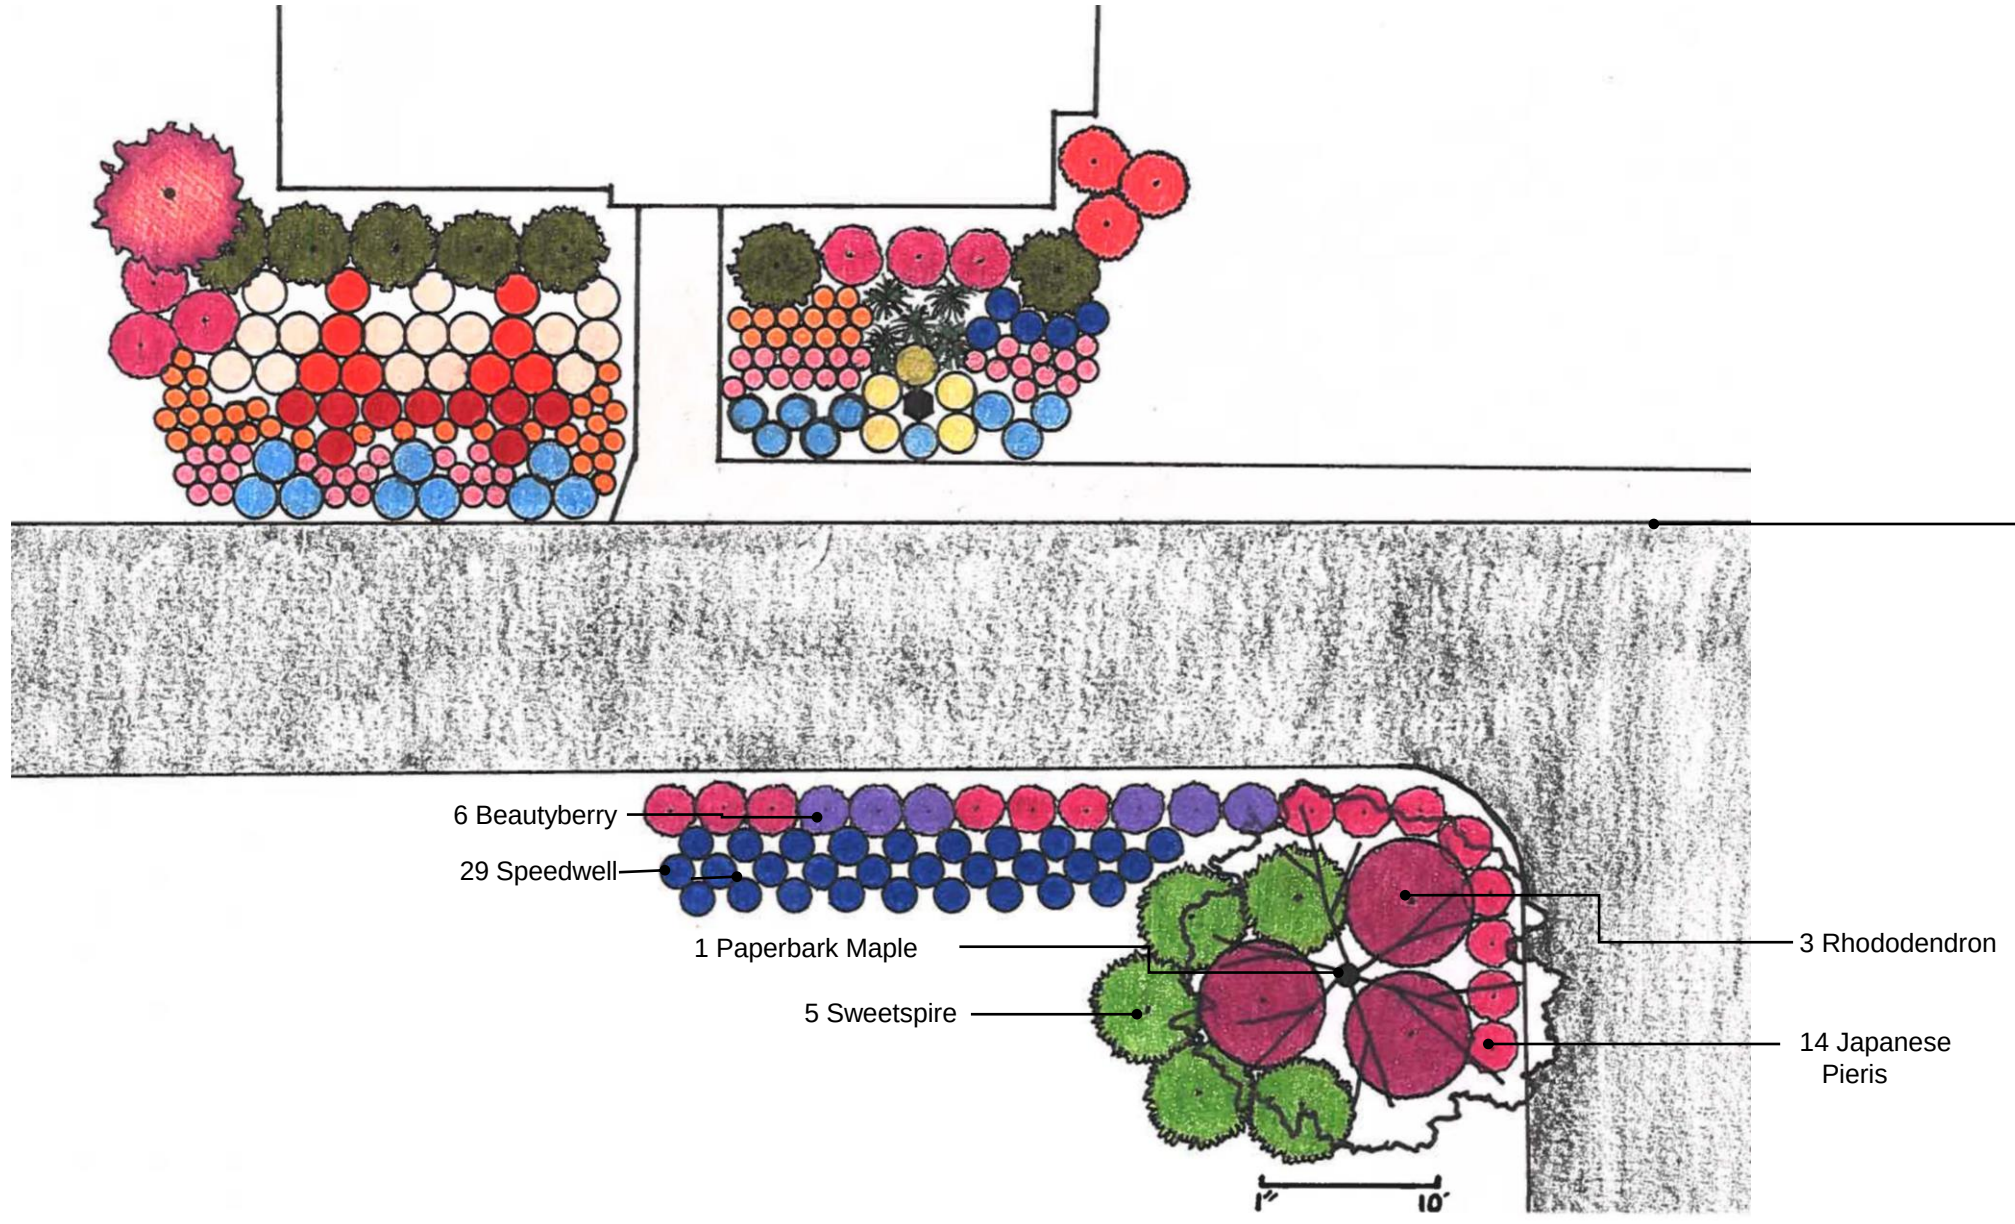

Catawba Rhododendron

Fall

Veronica "Sunny Border"

Phase 2 Plan

Selection Criteria

Plants were selected for:

- Shade tolerance
- Drought tolerance
- Deer resistance
- Eye catching color
- Long season of bloom

Plant Schedule-Phase 1

The Fleurries Phase 1 Plant Schedule					
Qty	Botanical Name	Common Name	Type	Spacing (ft. on center)	Season of Interest
14	Anemone × hybrida 'Honorine Jobert'	Windflower	Cont.	2	August to Sept
